Festival Wing Room, Hotel Goldener Hirsch

ACCOMMODATION

The 65 guest rooms and five luxury suites boast authentic, handpicked Salzburg-style décor. The original antiques and handmade furniture honour 600 years of hotel history.

CLASSIC ROOM (24-27 sqm)

The hotel's Golden Stag theme is prominent throughout, appearing in populating lampshades, walls, or the hand printed fabrics. A small table with two chairs provides the perfect space to relax and enjoy the flat screen TV. Supplementing the traditional décor is a small desk and a high-speed Internet access portal. Windows open out to our inner courtyard or a characteristic side street. Soundproof glass, in conjunction with personally controlled air-conditioning, ensures an agreeable atmosphere. Tranquillity continues in the gracious bathroom. Each bathroom offers signature Luxury Collection bathroom amenities and a robe with slippers.

EXCLUSIVE ROOM (28-32 sqm)

Our Exclusive Rooms encourage full relaxation. Soundproof windows overlook either the bustling Getreidegasse road or the hotel's quiet inner courtyard. Both scenes are matched in charm by the room's interior. The signature Golden Stag theme-blends harmoniously with the authentic Salzburg throw rugs. Reintroduced by Countess Walderdorff, these rugs have become a modern symbol of Austrian interiors. Two welcoming armchairs flank a coffee table, creating the ideal place to sit and read. In the sleeping area, king or twin beds are adorned with hand printed fabrics - presenting contrasting and complementary tone-on-tone patterns. Inviting bathrooms feature signature Luxury Collection bathroom amenities and plush bathrobes with slippers.

FESTIVAL WING ROOM (33-48 sqm)

The largest of our guest rooms are a study in unassuming opulence. Often referred to as "Junior Suites" by regular guests, these recently refurbished rooms accommodate a sitting area equipped with characteristic Salzburg furnishings. Selected rooms have a small separate anteroom. Soundproof windows look out on either the "Herbert-von-Karajan-Platz" towards the Festival Hall or the characteristic "Getreidegasse". Guests are transported to a past era - when the hotel housed guests such as the Rothschilds or artistic legends such as Picasso.

SUITE (42-48 sqm)

Our five diverse One-bedroom Suites are real oases in the city, comprising a double bedroom, bathroom, and small adjoining salon. Two of the suites overlook one of the hotel's quiet inner courtyards, promising the utmost tranquillity. Alternatively, the "Kupferschmiedhaus Suite" offers a view of the city's buzzing streets with the added benefit of soundproof windows. The newest suite pays homage to the city's musical history by providing an exceptional view of the "Herbert-von-Karajan-Platz" and famous Festival Hall: the perfect, protected spot for observing Salzburg's rich culture.
